

\_\_\_\_\_ Echocardiogram \_\_\_\_\_ Peripheral Vascular Study  
\_\_\_\_\_ Carotid Study

A specially trained technologist will be with you and perform the test ordered. One of our staff physicians will be in the office at all times. Someone from our office will call you a day or so prior to your appointment.

**Instructions**

1. You may eat and take your medications as usual.
2. Wear comfortable clothing; you will be removing your clothes from the waist up for an echocardiogram.
3. If you are having a peripheral vascular study, please wear or bring shorts.

**Your Test will be performed at:**

**The Heart and Vascular Institute of Florida**

**Please call our office 24hrs prior to the test if you cannot keep this appt or if you have any questions regarding test**

**IF YOU ARE HAVING ANOTHER TEST THAT CALLS FOR DIFFERENT INSTRUCTIONS PLEASE PAY CLOSE ATTENTION TO THOSE DIRECTIONS.**
